Alistair Tinker (OEI 976-82)

Thank you to OE Alistair Tinker for sending in these rowing photographs taken in Putney in late 1981/1982.

Names Alistair remembers are:

Phil Ward (c), R Perkes (s), Jeff Kimber (5), Nick Rogers (4), Phil Burnett (2) and Nigel Marr (B). Alistair is the 6 seat. Richard Marriott also makes an appearance.

Alistair told us:

“This is the crew that won a silver medal at the Schools National Champs behind the Junior National Squad and then went on to win gold for England at the Home Countries in 1982. This was certainly my crowning achievement with Emanuel, but my abiding memory is learning to row in the tank and being coached by Richard Marriott as well as wading into the Thames in winter with no footwear after an outing.”
