## Mic Dixon (OEI 1966-73)

**A huge thanks to Mic Dixon for sending in these fantastic 1974 photos of a rugby knock-around involving many of the school rowers on Duke's Meadow, before the boys later challenged the school rugby team.**

Some of those featured in the photos include: Jon Dobner, Mark Stone, Simon 'chopper' Lambert, Jimmy Goury, Gareth Roberts, John Grove, Bob Downie, Nigel Roberts, Ray Bedder, Mostyn Fields, Clint Evans, Clive Roberts, Gerrit Lemmens, and John Ridgely.

They might have been less than stellar at rugby, but the river really was another ballgame! This period was a golden era for Emanuel rowing where we regularly competed at the business end of the biggest events on the rowing calendar and some of the names above rank amongst the very best ever Emanuel rowers.
