Supervision of Pupils Policy

Emanuel School recognises and accepts its legal responsibilities to ensure, as far as is reasonably practicable, the health, safety and welfare of its staff, pupils and visitors, under the Health and Safety at Work Act 1974.

DfE guidance states during the time pupils are on the school premises, staff are under a legal duty to exercise 'reasonable' care to ensure that all pupils are kept safe based on the principle of loco parentis. All colleagues have a responsibility to be vigilant and supervise the safety of the pupils on site.

The school is open to pupils from 7.30am until 6.00pm. Pupils should not be in school before 7.30am. During the COVID-19 pandemic, it may be necessary to alter these arrangements at times. The 'Emanuel Guide – returning to school information' outlines the current arrangements. Any changes will be communicated to parents in update documentation.

Some sports practices commence before 7.30am. For these activities, pupils should muster on the bridge at the agreed meet time where they will be collected by the member of staff running the activity. No pupil will be permitted to enter the site before 7.30am without being collected by a member of staff.

Teachers running sporting or co-curricular activities from are responsible for pupils engaged in them. The Library is open from 7.30am to 5.00pm. The sixth form centre is open from 7.30am to 6.00pm.

Pupils are allowed to work and socialize in classrooms until morning registration and are asked to behave sensibly and safely at all times. Throughout the rest of the day, pupils in the lower and middle schools are only allowed in classrooms with the express permission of a member of staff or if 'wet break' has been declared.

Pupils are expected to leave school at 3.45pm unless in a supervised activity extending beyond this time. Teachers running sporting or co-curricular activities are responsible for all pupils engaged in them until the point that all pupils have gone home.

The main reception switchboard is staffed from 7.30am until 5.00pm during term time. During the holidays the general office is manned from 9.30am to 4.30pm.

Special arrangements are made to ensure that pupils are supervised during play and concert rehearsals or other events that bring small groups of pupils into school out of hours. Pupils are not allowed to be on site otherwise without supervision including weekends and school holidays. Only pupils in the charge of a teacher, or those who have obtained the deputy head: pastoral's permission, may enter the school or its grounds during the holidays or outside of school hours.

Some areas are out of bounds to unsupervised pupils in all year groups. These include the science laboratories, the design workshops, the art classrooms, the swimming pool, the maintenance areas, the kitchen and dining areas and Sports Hall.

Teaching staff undertake weekly daytime supervisory duty throughout the academic year according to a published rota. These duties are designed to ensure a suitable level of supervision before school, at break time, lunch time and after school. Prefects also assist in the supervision of pupils at lunchtime and for special events where possible. For all duties, the priority is to maintain a safe environment for the pupils. Further information can be found in 'Instructions and Guidance for Staff Duties' which is available on Firefly. The school's senior management are 'on call' from 7.30am to 6.00pm each day and can be

contacted on the school's duty mobile phone (07377 735 057) or by contacting reception. Outside of these times the school is supervised by the school keepers and emergency contact numbers are in form rooms.

During lessons, the supervision and safety of pupils in classrooms, laboratories and workshops is the responsibility of class teachers. Classes should never be left unsupervised. Heads of department are responsible and accountable for all matters relating to health and safety and welfare within their department (as specified in the Health and Safety manual).

Pupils register in the morning with their form tutors (using EMA). They are requested to be in their form rooms by 8.20am each morning for registration at 8.25am. Afternoon registration is taken at 2.30pm at the start of period 7, by the subject teacher leading the class. Pupils are registered at their activities on their Games afternoons. Staff also register all pupils in lessons using EMA.

Pupils may not leave the school grounds during the normal working day without the permission of a member of staff. Requests for foreseeable absence should be made in advance in writing to the form tutor or head of year who will authorise an 'exeat'.

Parents are responsible for notifying the school if their child is absent for any reason following the published absence procedures. The school will always contact the parent if a pupil fails to arrive at school without an explanation.

If a pupil feels unwell and wishes to be sent home, they will not be allowed to leave the school premises until their head of year or head of section has seen them, a parent or guardian have been contacted and arrangements have been made for their collection. Those in year 10 and above do not need to be collected provided the nurse feels they are in suitable condition to travel independently. Should the nurse feel the pupil is well enough to be in school, she will encourage them to return to lessons. In the event that a pupil is displaying symptoms of COVID-19, the pupil will be isolated until they can be collected by a parent regardless of their age as per DfE guidance.

In the unlikely event of a pupil needing to be taken to hospital in an emergency, a member of staff will accompany the pupil until the parent or guardian arrives and assumes responsibility.

Emergency signs and contact details are displayed in all form rooms and form tutors go through this information on the signs at the start of each year. If in doubt, pupils should report accidents to a member of staff immediately.

Visitors, including former pupils, are required to report to sign in at the front gate and obtain a visitor's badge. They should report to reception where the relevant member of staff will collect them.
